NIXLE - Public Alert System

Weather Alerts, Public Safety Messages, Community Announcements

Businesses and Residents of Johnson County can take advantage of Nixle today. Nixle is a community information service that alerts you to public safety threats, community and traffic events via web, e-mail, and cell phone. Sign up at <http://local.nixle.com/johnson-county-central-dispatch> or **Text: 888-777 Keyword: JOCONIXLE** to register. All Johnson County residents are encouraged to sign up for these alerts to supplement current public alert systems.

Nixle is simple, trusted and available to citizens at no cost. (Note: Standard text messaging rates do apply for cell phone notifications.) Johnson County residents will be able to receive weather-related alerts and other critical public safety related information via Nixle.

There are 3 types of notifications you can receive:

Alert – Severe weather warnings, Evacuations, Hazardous materials, Amber Alerts effecting Johnson County, Emergency notifications from Police, Fire or Emergency Medical Services

Advisory – Severe weather watches, Major power outages, Major traffic delays

Community – Community service messages (ex. Fire safety, Crime Tips, Health information etc.)
Non-emergency road closures, Event traffic information

STAY ALERT

STAY INFORMED

If you have any questions please contact Operations Manager Jeff Noonan, at Johnson County Central Dispatch, 660-747-2145. He will help you register and set up your account if needed.

It is important to note that this system is intended to supplement storm sirens and media outlets in the event of emergencies and not all together replace those time tested systems.
